

## **HARYANA URBAN DEVELOPMENT AUTHORITY**

### **PUBLIC NOTICE**

It is brought to the notice of General Public that due to increase in consumption of water during the summer season and to maintain sufficient pressure of the water supply, the general public is hereby prohibited from wasting of water in the following activities otherwise strict legal action shall be taken against the user.

1. Installation of boosting pumps directly on lines is strictly prohibited as it causes low water pressure in the area and can lead to contamination of potable water. If booster pump is found installed directly on water line the same shall be forfeited.
2. Use of drinking water for the purposes of construction and wastage of water during morning hours is prohibited.
3. Watering of lawns during morning supply hours is totally banned.
4. Cleaning of vehicles and courtyards with drinking water during morning supply times is also prohibited.

The residents/general public is advised to comply with the above directions. Violation of the same will attract penalty of Rs.5,000/- and disconnection of the water supply.

In case any resident is found violating the above directions or for complaints of water supply, sewerage, storm water drainage, roads, parks, street lights, encroachments and cleanliness of HUDA areas, please contact Single Phone Help Line Number 9888-225-444 (7.00 AM to 7.00 PM) seven days a week.

Superintending Engineer,
